

**List of exemptions issued under the Private Security
(Exemption) Order 2007 which are in operation at the 31st
December 2011**

These exemptions are issued to Contractors in order to obtain
Standard EN50131 which is required for licensing.

Contractors have been provided with an Exemption Letter which
contains an expiry date and this letter should be requested from the
contractor where a licensable activity is being undertaken.
